Work History :

Presentation Designer : T-Mobile (contract - Blink UX)
Bellevue, Washington

Designed and maintained visually compelling presentations, reports, and interactive forms for C-level executives—leveraging word, excel and powerpoint to support strategic communication. Notably crafted the visual narrative and materials for a 600+ employee all-hands meeting led by the Chief Product and Digital Officer.

Senior Visual Designer : Microsoft (contract - Lionbridge)
Redmond, Washington

Designed and produced a wide variety of packaging, marketing, event, and promotional materials for many Microsoft divisions. Devised and tested new approaches to the Microsoft home page. Designed internal style guides for Microsoft.com. Designed and directed internal design and site content.

Senior Art Director : IMDb (contract -TCG)
Seattle, Washington

Designed and produced visuals for Special Sections, iOS and Android app, and IMDb special events. Responsible for conception, presentation, and approval of visual directions affecting the entire product.

Founder : Mainspring
Seattle, Washington

Founded an independent design firm with two partners. Work covers a wide range of web, identity, and collateral work for local and international clients.

Responsible for all phases of projects including client contact, pricing, scheduling, outsourcing, concepting, UX design and layout, branding and logo design, illustration, icon and graphic design, html 5 responsive coding, press checks, and customer bill preparation.

Clients included CareCap, Corbis, Deloitte, Dimensional Mechanics, PSAMA, Smith&Hennessy, Socrata, Stratcore, and UCSF.

Senior Art Director : Corbis Images
Seattle, Washington

Worked with staff members to concept, create, and execute a wide variety of print and on-screen experiences for Corbis Images and Veer.

Responsible for all phases of integrated marketing materials including internal presentations, scheduling, outsourcing, concepting, UX design and layout, symbol and icon design, illustration and graphic design, some html5 coding, press checks and post-campaign reports.
